Approx. 7,699 m² warehouse, approx. 494 m² office
and 29 car parking spaces

LEASE PRICE AT REQUEST

Description

General

Marco Polostraat 14 is located at Distripark Eemhaven, strategically positioned near the Waalhaven and Eemhaven areas in the Port of Rotterdam. This area is a major logistics hub, with various container depots in the immediate vicinity. Thanks to direct access to the A15 motorway, the location offers excellent connections to the hinterland and the key economic centres in the Netherlands and beyond.

Cadastral designation

Municipality Rhoon, Section E, Number 653. The surface area is approximately 24.040 m².

Year of construction

1990.

Energy label

The property has an energy label B and is valid until October 20, 2025.

The property will undergo a comprehensive renovation in the coming period, including the installation of new glazing. As part of this upgrade, the building will be further sustainably enhanced and will receive a modernised and professional appearance.

These improvements will ensure that the facility meets current standards for logistics and distribution, both in terms of functionality and visual appeal. The enhancements contribute to improved energy efficiency and offer future occupiers a high-quality working environment aligned with modern operational requirements.

Location

Accessibility

This distribution center is located in an excellent accessible location within the Port of Rotterdam, both for passenger and freight traffic. Distripark Eemhaven has direct access to the A15 motorway, providing quick access to the main transport corridors. Additionally, the A4, A16, A20, and A29 motorways are just a short distance away, ensuring optimal accessibility within the Randstad region and towards Belgium and Germany.

Public transport

The location is also easily accessible by public transport. In the nearby area, there are various bus connections to, among others, the Slinge metro station and other key public transport hubs, providing excellent links to the city and surrounding regions.

Layout

Approx. 7,699 m² warehouse space;
Approx. 494 m² office space;
29 Car parking spaces.

The surface areas have been determined as carefully as possible, but should not be regarded as the exact lettable floor area in accordance with the Dutch Standard NEN 2580.
